AWS FOR THOUGHT

Great in pasta or sandwiches or just on itsown with a squeeze of lemon juice, crab is a delicacy we Brits seem to forget about, despite it being readily available in British waters. Live crabs should be refrigerated and cooked on the day of purchase

There is everything from the traditional burger to veggie, vegan and low calorie options. Whether you are after the

biggest, meanest sandwich tower or a light and delicious vegan number, you can find your perfect patty right here.
